Dear Friend of Green Cleaning Products LLC,

Happy Thanksgiving! A big THANK YOU for all you do to make our world a greener place.

Every day it is becoming easier to live a greener lifestyle. This issue presents several tips to ensure you enjoy this holiday in a ecofriendly way. Many of these tips can easily be carried forward throughout the year. I am excited to see you again at the upcoming Conscious360 Boutique.

The small and large contributions we each make to improve our world adds up. If you **let me know some innovative ways you contribute to greening our planet**, I will compile them.

To a greener and healthier life,

You can also curb your carbon footprint with greener travel plans and kick off the holiday shopping season in eco-style by turning Black Friday green.
