		<p>For general cleaning, each 1.0 oz. packet makes 32 oz. (1 quart) of ready-to-use cleaner. Dilute with cold tap water.</p> <p>This product can also be used at different dilution ratios depending on your application. Plan for 1:32 light deposits (or one EnviroPak to one quart of water); 1:16 (or two EnviroPaks to one quart of water for medium level of soiling); 1:8 (or 4 EnviroPaks to one quart of water for heavy soiling); or even 1:1 for restoration scenarios.</p> <p>Our 1.0 oz. packs are for you if you do not use a lot of cleaner or do not have the space to store it. Requires spray bottle.</p>	
EnviroCare Neutral Disinfectant		<p>Neutral Disinfectant mixed with a quaternary is a hospital grade disinfectant. With a neutral pH it does not dull nor harm finishes on nonporous surfaces. This is an EPA registered pseudomonicide, bactericide, virucide, and fungicide. (Efficacy information available upon request.)</p> <p>Spray it on and leave it for 10 minutes. Rinse or, for ease, let it air dry. Can be used as a spray and walk away product for toys and athletic gear.</p> <p>Each ½ oz. EnviroPak makes 32 oz. (1 quart) of ready-to-use disinfectant. Dilute with cold tap water.</p> <p>Our ½ oz. packs are for you if you do not use a lot of disinfectant or do not have the space to store it. Requires spray bottle.</p>	\$4.45

Microfiber Cloths			
<p>All Purpose Microfiber Cloth</p>		<p>Microfiber cloths have revolutionized the cleaning industry! Our terry microfiber cloths feature a 80/20 content of polyester/polyamide spilt fiber technology, resulting in the highest efficacy possible. They are:</p> <ul style="list-style-type: none"> - Lint free - Nonabrasive, Soft - Super absorbent yet quick drying - Non-electrostatic - Hypoallergenic - Long lasting (Can withstand hundreds of washings!) - Holds its shape due of the thinness of the strands <p>The splitting process created millions of tiny hooks and claws in each of the individual fibers enabling the cloths to scoop up dirt, bacteria, and dust and retain it inside the towel where they remain until laundering. The density of the yarn and microscopic size of the individual fibers allow them to reach into the depressions and tiny crevices on the surface that cotton and disposable cleaning towels cannot.</p> <p>To extend the life of the microfiber cloth do not use any fabric softener or dryer sheets with them.</p>	<p>\$5.00 each \$10.00 for three</p>

Commercial / Large Volumes			
SNAP EnviroCare Glass Cleaner		<p>Non-streaking Glass cleaner is a concentrated solution that leaves windows, mirrors, and all other polished surfaces squeaky clean and free of streaks and hard water deposits. It is highly effective, even on heavily soiled surfaces.</p> <p>EnviroCare Glass Cleaner is recommended for cleaning glass, mirrors, porcelain, enamel, stainless steel, chrome, Formica, plastic and ceramic tile and other polished surfaces.</p> <p>This can be applied to the surface to be cleaned with a sprayer, clean cloth, sponge, or window cleaner applicator and removed with a clean soft cloth or squeegee.</p> <p>This product meets EcoLogo Environmental Standard for Hard Surface Cleaners (CCD-146) based on its low impact for human and environmental health.</p> <p>Environmental and safety benefits include:</p> <ul style="list-style-type: none"> • Made with renewable resources • No ammonia or alcohol • Nontoxic (aquatic & human) • Phosphate free • Biodegradable • Contains no hazardous ingredients (no petroleum distillates, no glycol ethers, no alkalies) • Non corrosive • VOC compliant • NPE free <p>This is a super, super concentrated product. Packaged for the high volume user. While the most environmentally friendly and sustainable packaging available is leveraged, this requires the use of a SNAP Dispenser. Dilute with cold tap water.</p> <p>Each half gallon SNAP cartridge makes 40 gallons or 160 quart bottles. This super concentrated product saves you money. You pay ONLY 91 cents per ready-to-use quart!</p>	<p>\$145.50</p> <p>Equivalent to only 91¢ per ready-to-use quart</p>

<p>SNAP EnviroCare All Purpose Cleaner</p>		<p>Low foam All Purpose cleaner is a low foaming nonionic surfactant with exceptional cleaning properties. This will not streak, haze, or leave a detergent film residue on cleaned surfaces.</p> <p>All Purpose Cleaner is formulated to clean floors, walls, woodwork, chrome, porcelain, and stainless steel.</p> <p>It is designed to provide simple daily cleaning with labor saving film-free and no rinse features. Routine floor maintenance is quick and easy. Use it to damp mop or in an auto scrubber.</p> <p>This product meets EcoLogo Environmental Standard for Hard Surface Cleaners (CCD-146) based on its low impact for human and environmental health.</p> <p>Environmental and safety benefits include:</p> <ul style="list-style-type: none"> • Made with renewable resources • Nontoxic (aquatic & human) • Phosphate free • Biodegradable • No added fragrances • Non corrosive • Contains no hazardous ingredients • No glycol ethers • No alkalies <p>This is a super, super concentrated product. Packaged for the high volume user. While the most environmentally friendly and sustainable packaging available is leveraged, this requires the use of a SNAP Dispenser. Dilute with cold tap water.</p> <p>Each half gallon SNAP cartridge makes 128 gallons or 512 quart bottles. This super concentrated product saves you money. You pay ONLY 16 cents per ready-to-use quart!</p>	<p>\$82.50</p> <p>Equivalent to only 16¢ per ready-to-use quart</p>
<p>SNAP EnviroCare Washroom Cleaner</p>		<p>Washroom cleaner is designed to keep basins, showers, bowls, urinals and washroom surfaces clean and fresh in one easy step. It is great for removing hard water deposits and soil accumulations. Its mild food grade acidic formula removes soap film, body oils, makeup, and mineral deposits from any washable surface without damage. This one step cleaner cuts through grime and requires no rinsing.</p> <p>Using a sprayer, hand bucket and sponge, or mechanical spray device, simply apply the EnviroCare Washroom solution to the surface and wipe clean. Chrome, Stainless steel and other high gloss surfaces may be polished with a clean, dry cloth. EnviroCare Washroom also excels at removing those difficult</p>	<p>\$186.50</p> <p>Equivalent to only \$1.16 per ready-to-use quart</p>

		<p>stains from ceramic tile floors and grouting.</p> <p>This product meets EcoLogo Environmental Standard for Hard Surface Cleaners (CCD-146) based on its low impact for human and environmental health.</p> <p>Environmental and safety benefits include:</p> <ul style="list-style-type: none"> • Made with renewable resources • No hydrochloric or phosphoric acid • Nontoxic (aquatic & human) • Phosphate free • Biodegradable • Contains no hazardous ingredients (no petroleum distillates, no glycol ethers, no alkalies) • Non corrosive • VOC compliant • NPE free • Fragrance free (no added perfumes) <p>This is a super, super concentrated product. Packaged for the high volume user. While the most environmentally friendly and sustainable packaging available is leveraged, this requires the use of a SNAP Dispenser. Dilute with cold tap water.</p> <p>Each half gallon SNAP cartridge makes 40 gallons or 160 quart bottles. This super concentrated product saves you money. You pay ONLY \$1.16 per ready-to-use quart!</p>	
<p>SNAP EnviroCare Tough Job Cleaner</p>		<p>Tough Job is a heavy duty liquid cleaner that is strong enough for the most difficult cleaning tasks.</p> <p>Tough Job is formulated to remove carbon and greasy messes from walls, floors, machinery – any washable surface. This also excels at removing forklift tire marks and is perfect for fire and smoke damage clean up.</p> <p>Tough Job Cleaner is very versatile. It may be used as a “spray and wipe” cleaner . Tough Job Cleaner performs as a carpet and upholstery pre-spotter, stain remover, and traffic lane cleaner. It is also for hand cleaning, damp mopping, automatic scrubbing, or through a high pressure washer and steam cleaner. It may also be used in cold tank soaking applications and will not discolor or harm aluminum.</p> <p>This product meets EcoLogo Environmental Standard for Hard Surface Cleaners (CCD-146) based on its low impact for human and environmental health.</p> <p>Environmental and safety benefits include:</p>	<p>\$239.75</p> <p>Equivalent to only \$1.50 per ready-to-use quart</p>

		<ul style="list-style-type: none"> • Made with renewable resources • Nontoxic • Phosphate free • Biodegradable • Contains no hazardous ingredients (no petroleum distillates, no glycol ethers, no alkalies) • Non corrosive • VOC compliant • No glycol ethers • NPE free • Fragrance free (no added perfumes) <p>This is a super, super concentrated product. Packaged for the high volume user. While the most environmentally friendly and sustainable packaging available is leveraged, this requires the use of a SNAP Dispenser. Dilute with cold tap water.</p> <p>Each half gallon SNAP cartridge makes 40 gallons or 160 quart bottles. This super concentrated product saves you money. You pay ONLY \$1.50 per ready-to-use quart!</p>	
<p>SNAP EnviroCare Neutral Disinfectant</p>		<p>Neutral Disinfectant is recommended for use in hospitals, nursing homes, schools, colleges, commercial and industrial institutions, as well as veterinary clinics.</p> <p>It disinfects, cleans, and deodorizes floors, walls, metal surfaces, stainless steel surfaces, glazed porcelain, plastic surfaces and other hard, nonporous surfaces. The neutral pH formula does not dull floor finishes. This is an EPA registered pseudomonocide, bactericide, virucide, and fungicide. (EPA Registration # 47371-129-527)</p> <p>Environmental and safety benefits include:</p> <ul style="list-style-type: none"> • Made with renewable resources • Phosphate free • Non corrosive • No glycol ethers • Non alkaline • NPE free <p>This is a super, super concentrated product. This enables the greatest flexibility and ensures conservation of product. This super concentrated product saves you money. <i>You pay ONLY 16 cents per ready-to-use quart!</i></p>	<p>\$58.75</p> <p>Equivalent to only 69¢ per ready-to-use quart</p>
---	---	--	---

<p>SNAP Proxi Multi Surface Cleaner</p>		<p>Proxi Multi Surface Cleaner is a versatile, super concentrated product that has been formulated to remove stains, hard water buildup and soap scum. The active ingredient is safer on surfaces than aggressive acids or bleaches.</p> <p>Proxi Multi Surface Cleaner is effective on tile and grout, counter tops, cutting boards, stainless steel and most hard surfaces.</p> <p>Proxi is a very effective bathroom cleaner, as it cleans sinks, toilet bowls, tub surfaces and shower walls; cleans and whitens grout; is an effective uric descaler; and cleans mirrors and metal. It also removes blood from hard surfaces.</p> <p>Rochester Midland has successfully combined hydrogen peroxide, a stabilizing oxidizing agent, and compatible formulation ingredients to create a formulation that dissolves organic matter to remove stains and eliminate related odors. It leaves no chemical residue. The only by-products are oxygen and water. It is known as "Nature's Scrub Brush".</p> <p>This product meets the Green Seal environmental standard for cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound (VOC) content.</p> <p>Product Advantages:</p> <ul style="list-style-type: none"> • Formulated to remove stains, hard water build up, and soap scum. • Eliminates odors • Safer on surfaces than acids or bleaches. • Non-bleaching • No residue • No dyes <p>This is a super, super concentrated product. Packaged for the high volume user. While the most environmentally friendly and sustainable packaging available is leveraged, this requires the use of a SNAP Dispenser. Dilute with cold tap water.</p> <p>Each half gallon SNAP cartridge makes 128 gallons or 512 quart bottles on the high flow setting. On the low flow setting it makes 13 gallons or 52 quart bottles. This enables the greatest flexibility and ensures conservation of product.</p> <p>This super concentrated product saves you money. You pay ONLY 15 cents per ready-to-use quart!</p>	<p>\$75.50</p> <p>Equivalent to only 15¢ per ready-to-use quart</p>
---	---	--	---

<p>SNAP DfE BioClean</p>		<p>DfE BioClean is a fortified synthetic detergent to clean walls, floors, baseboards, painted surfaces, and other washable surfaces.</p> <p>DfE BioClean is recommended for cleaning equipment, machinery parts, floors, etc. While rinsing will completely remove the dirt, since it has an exclusive surfactant system that rapidly floats away soils, it is not necessary to rinse when using this product.</p> <p>DfE BioClean is a unique formulation that performs equally well in hard or soft, hot or cold water solutions. It can be used as a "Spray & Wipe" cleaner, damp mopping, automatic scrubbing, hand scrubbing, or through high pressure washers and steam cleaners. It may also be used in cold tank soaking applications since it will not discolor or harm aluminum or other soft metals.</p> <p>DfE BioClean is member of the Designed for the Environment (DfE) line of products that have been designed to be safer, less hazardous, and have more positive environmental attributes when compared to similar conventional products.</p> <p>Environmental and safety benefits include:</p> <ul style="list-style-type: none"> • Synthetic detergent with coconut derivatives • No rinsing required • Non corrosive • Versatile • Heavy Duty • Safe to use on aluminum and other soft metals <p>This is a super, super concentrated product. Packaged for the high volume user. While the most environmentally friendly and sustainable packaging available is leveraged, this requires the use of a SNAP Dispenser. Dilute with hot or cold tap water.</p> <p>Each half gallon SNAP cartridge makes 128 gallons or 512 quart bottles. This super concentrated product saves you money. <i>You pay ONLY 16 cents per ready-to-use quart!</i></p>	<p>\$81.50</p> <p>Equivalent to only 16¢ per ready-to-use quart</p>
--------------------------	---	--	---

<p>SNAP Fresh Air Deodorizer</p>		<p>Fresh Aire Deodorizer is a liquid neutralizer for chemicals and malodors. It leaves the air clean and pleasant smelling. It is designed for use in schools, hospitals, nursing homes, hotels, theaters, and all other public buildings and institutions.</p> <p>Fresh Aire Deodorizer neutralizes objectionable odors in locker rooms, garbage areas, apartments, mildewed carpets, gymnasiums, elevators, restrooms, animal cages, hallways, sinks, and other areas.</p> <p>Fresh Aire Deodorizer can be used with water soluble detergents such as floor cleaners, carpet shampoos, and general purpose cleaners or degreasers. It should not, however, be added to disinfectants.</p> <p>Product Advantages:</p> <ul style="list-style-type: none"> • Excellent fragrance booster • Highly concentrated • Extended product coverage • Cost effective • Fresh, clean fragrance <p>This is a super, super concentrated product. Packaged for the high volume user. While the most environmentally friendly and sustainable packaging available is leveraged, this requires the use of a SNAP Dispenser. <p>SNAP Citrus Cleaner Degreaser</p>		<p>Citrus Cleaner Degreaser is a heavy duty liquid cleaner that is strong enough for the most difficult cleaning tasks. Citrus Cleaner Degreaser will remove carbon and greasy residues from walls, floors, machinery – any washable surface. It is a very versatile cleaner in that it performs at its peak as a carpet or upholstery pre-spotter, stain remover, and traffic lane cleaner. It also excels at removing forklift tire marks and is perfect for fire and smoke damage clean up.</p> <p>Citrus Cleaner Degreaser can be used as a “Spray & Wipe” cleaner, damp mopping, automatic scrubbing, hand scrubbing, or through high pressure washers and steam cleaners. It may also be used in cold tank soaking applications since it will not discolor or harm aluminum or other soft metals.</p> <p>Environmental and safety benefits include:</p> <ul style="list-style-type: none"> • Made using renewable resources • Nontoxic 	<p>\$187.50</p> <p>Equivalent to only \$1.17 per ready-to-use quart</p>

		<ul style="list-style-type: none"> • Nonflammable • Phosphate free • Biodegradable • Contains no hazardous ingredients (no petroleum distillates, no glycol ethers, no alkalies) • Non corrosive • VOC compliant • NPE free • Fragrance free (no added perfumes) <p>This is a super, super concentrated product. Packaged for the high volume user. While the most environmentally friendly and sustainable packaging available is leveraged, this requires the use of a SNAP Dispenser. Dilute with cold tap water.</p> <p>Each half gallon SNAP cartridge makes 40 gallons or 160 quart bottles. This super concentrated product saves you money. <i>You pay ONLY \$1.17 per ready-to-use quart!</i></p>	
SNAP Mobile Dispenser		<p>SNAP is the latest innovation in chemical management and is comprised of a unique, high tech dispensing unit and a comprehensive line of high performance cleaning chemicals contained in special SNAP cartridges. This makes for the safest, most accurate and economical chemical management system available today.</p> <p>Only one unit is required to dispense multiple products with patented no chemical carryover technology. One unit handles all SNAP products.</p> <p>The SNAP dispenser is easy to use as cartridges conveniently snap securely in place. It is safe as there is no measuring or mixing required, it does it for you. With this proprietary system there is no contact with the chemical nor any crossover of chemicals.</p> <p>The built in flow control eliminates water pressure problems and give accurate and consistent dilution every time. Good bye to “amateur chemistry” and product waste.</p> <ul style="list-style-type: none"> • Dual flow rates • Two fill options: Bottle, Bucket and Scrubbers • Built in backflow prevention • Complete with Quick Disconnect • Ready to use; No assembly required 	\$150.00
