<b>Gifts</b>			
Small Gift Box		The perfect gift for someone special ... or yourself. Contains 5 of the most popular WowGreen products in Ready-to-Use 3 oz spray bottles. Included in the box are Laundry Detergent; All Purpose Cleaner; Glass & Stainless Cleaner; Carpet & Upholstery Cleaner; and a Stain Pen.	\$20.00
Full Size Gift Basket		Do you have a special occasion whom you would like to present a gift of green cleaning products? A custom designed <b>Gift Basket</b> is the ideal selection. Name the purpose and we will create a special one just for you. It may be for a <b>Wedding</b> or <b>Baby Shower</b> , perhaps a <b>BirthDay</b> , maybe a <b>Housewarming</b> gift or possibly <b>Just Because</b> . Let us know the special occasion and it will be designed just for you!	\$50.00
Book "Going Green: Small Changes Create BIG Impacts"		Going Green has been the "It" topic for over a decade. The most basic definition of Green refers to reducing the negative environmental impacts of daily habits, at home or in business. We see products and services advertised as "Green" everywhere we seem to go. But, many often wonder if these options truly provide any value, or if they are simply gimmicks to get consumers to complete more purchases.  The electronic version of this book is highly interactive containing many hyperlinks to resources and articles, as well as informational and educational YouTube videos. For your convenience, the electronic version of the book will be emailed to you. Additionally a hard copy of the book will be mailed to you.	\$14.95
"Streak Free" Cloth Eco Friendly Microfiber		This inexpensive, environmentally friendly cleaning product, the <b>Streak Free Microfiber Cloth</b> is clearly the next generation in cleaning. Wet it. Wring it. Wipe it just using ordinary tap water. It is amazing in that the results are lint free, spot free and streak free. Additionally you will find they are: <ul style="list-style-type: none"> <li>▪ Nonabrasive</li> <li>▪ Quick drying, and</li> <li>▪ Holds its shape.</li> </ul> The fabric contains no chemical additives. It polishes as it cleans. Since you can use it over it is an extremely cost effective cleaning tool. You will find that it is great with only water on windshields, cars, chrome, computer screens, mirrors, TVs, glasses, countertops, rims, tile, stainless steel, microwaves, oven faces, windows, and aquariums, plastic and even fiberglass. ~ This is the same product found online for	\$3.00  Buy up to 8 for same low shipping rate!

		<p>you do not use a lot of cleaner or do not have the space to store it. Requires spray bottle.</p>	
<p>EnviroCare Tough Job Cleaner Concentrate Refill</p>		<p><b>Tough Job</b> is a heavy duty cleaner that is strong enough for the most difficult cleaning tasks. It is formulated to remove carbon and greasy messes from stoves and other appliances to floors, countertops, sinks, walls, floors, and machinery – any washable surface. This works very well in sprayers and power washers for outdoor use.</p> <p>This product meets the <b>Green Seal</b> environmental standard for cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound (VOC) content.</p> <p>For general cleaning, each 1.0 oz. EnviroPak packet makes 32 oz. (1 quart) of ready-to-use cleaner. All you need to do is to dilute the super concentrate with cold tap water and put it into a 1 quart spray bottle! Use your own or buy one of our high quality spray bottles that is already properly labeled for you.</p> <p>This product can also be used at different dilution ratios depending on your application. Plan for 1:32 light deposits (or one EnviroPak to one quart of water); 1:16 (or two EnviroPaks to one quart of water for medium level of soiling); 1:8 (or 4 EnviroPaks to one quart of water for heavy soiling); or even 1:1 for restoration scenarios.</p> <p>Our 1.0 oz. packs are for you if you do not use a lot of cleaner or do not have the space to store it. Requires spray bottle.</p>	<p>\$4.45</p>
<p>EnviroCare Neutral Disinfectant</p>		<p><b>Neutral Disinfectant</b> mixed with a quaternary is a hospital grade disinfectant. With a neutral pH it does not dull nor does harm the finish on nonporous surfaces. This is an EPA registered pseudomonicide, bactericide, virucide, and fungicide. (Efficacy information available upon request.)</p> <p>Spray it on and leave it for 10 minutes. Rinse or, for ease, let it air dry. Can be used as a spray and walk away product for toys and athletic gear.</p> <p>Each ½ oz EnviroPak packet makes 32oz (1 quart) of ready-to-use cleaner. All you need to do is to dilute the super concentrate with cold tap water and put it into a 1 quart spray bottle! Use your own or buy one of our high quality spray bottles that is already properly labeled for you.</p> <p>Our ½ oz. packs are for you if you do not use a lot of disinfectant or do not have the space to store it. Requires spray bottle.</p>	<p>\$4.45</p>

Product	Product Image	Product Description	Price
<b>Microfiber Products</b>			
All Purpose Microfiber Cloth		Microfiber cloths have revolutionized the cleaning industry! Our terry microfiber cloths feature a 80/20 content of polyester/polyamide spilt fiber technology, resulting in the highest efficacy possible. They are: <ul style="list-style-type: none"> <li>- Lint free, Nonabrasive, Soft</li> <li>- Super absorbent yet quick drying</li> <li>- Non-electrostatic</li> <li>- Hypoallergenic</li> <li>- Long lasting (Can withstand hundreds of washings!)</li> <li>- Holds its shape due of the thinness of the strands</li> </ul> The splitting process created millions of tiny hooks and claws in each of the individual fibers enabling the cloths to scoop up dirt, bacteria, and dust and retain it inside the towel where they remain until laundering. The density of the yarn and microscopic size of the individual fibers allow them to reach into the depressions and tiny crevices on the surface that cotton and disposable cleaning towels cannot.  To extend the life of your microfiber cloths do not use any fabric softener or dryer sheets with them.	\$5.00 each  \$10.00 for three

<p>Fluffy Microfiber Duster</p>		<p>As a green cleaning tool, microfiber has revolutionized the cleaning industry! Microfibers are the newest technology in green cleaning as they reduce chemical use, water, energy to clean, saving time and money. Apply microfiber feather technology to every hard to reach dusting job with the softest touch and toughest dust-grabber in the industry.</p> <p>The plush, microfiber duster works just like a feather duster, yet better. The microfiber features an 80/20 content of polyester/polyamide split fiber technology, resulting in the highest efficacy possible. It is:</p> <ul style="list-style-type: none"> <li>• Lint free</li> <li>• Nonabrasive</li> <li>• Soft</li> <li>• Non-electrostatic</li> <li>• Quick drying</li> <li>• Hypoallergenic</li> <li>• Holds its shape due of the thinness of the individual strands</li> </ul> <p>The splitting process has created millions of tiny hooks and claws in each of the individual fibers enabling the duster to scoop up dirt, bacteria, allergens, and dust and retain it inside the fibers where they remain until laundering. The density of the yarn and microscopic size of the individual fibers allow them to reach into the depressions and tiny crevices on the surface that traditional feather dusters cannot. It actually picks up the dust rather than dragging it around.</p> <p>Microfiber dusters allow you to dust without chemicals as they penetrate surface pores to remove tiny dust particles. The microfiber products last much longer than traditional feather or lambswool dusters. The electromagnetically charged microfibers "scrape and hold" the dust. This microfiber feather duster can be laundered many times by hand and allowed to air dry.</p> <p>Product features include:</p> <ul style="list-style-type: none"> <li>• Microfiber feathers</li> <li>• Does not damage sensitive surfaces</li> <li>• 17 inches long</li> <li>• Unique handle has standard threads designed to screw onto an extension handle (sold separately) to ease access to hard to reach places</li> <li>• Blue color</li> <li>• Washable</li> <li>• No chemicals required!</li> </ul> <p>Now dust without chemicals as the microfibers penetrate surface pores to remove tiny dust particles. This is an exceptionally handy cleaning supply that leverages the latest innovation in green cleaning with 80/20 polyester/polyamide split fiber technology.</p> <p>Microfiber feathers do not damage sensitive surfaces. Easily get to those hard to reach places because of the unique handle that has standard threads designed to screw onto an extension handle.</p>	<p>\$17.95</p>

<p>Microfiber Super Shammy</p>		<p>Microfiber Super Shammy better than chamois. Here is your environmentally friendly and super absorbent replacement for rags.</p> <p>Do NOT confuse this with a Sham Wow towel, that's not what this is. This is as close in feel and performance to an actual leather chamois as seen in a synthetic material. As a green cleaning tool, microfiber cloths are a wonderful technology! The Microfiber Super Shammy Towel is a 100% microfiber chamois type towel.</p> <p>They are:</p> <ul style="list-style-type: none"> <li>• Lint free; Spot Free; Nonabrasive</li> <li>• Disposable, yet Launderable; Quick drying</li> <li>• Holds its shape.</li> </ul> <p>The Super Shammy Towel is the highest quality synthetic chamois you can buy. It is extremely durable, super soft, lint free and streak free! This is an incredible towel for easily and effectively drying your car.</p> <p>It is machine washable. To extend the life of your Super Shammy microfiber cloths do not use any fabric softener or dryer sheets with them. Bleach will shorten the life of the microfiber.</p> <p>Super Shammy is perfect for car dealers, car washes, auto detailing or anybody else looking for a long lasting chamois-like product.</p> <p>Buff to a shine while you dry. It actually works! Eco product is Blue and Rectangular shape measuring 28"x16".</p>	<p>\$13.75</p>
<p>Microfiber Dusting Mitt</p>		<p>As a green cleaning tool, microfiber has revolutionized the cleaning industry! Our terry microfiber mitts feature an 80/20 content of polyester/polyamide spilt fiber technology, resulting in the highest efficacy possible. The splitting process of the microfiber has created millions of tiny hooks and claws in each of the individual fibers enabling the cloths to scoop up dirt, bacteria, allergens, and dust and retain it inside the mitt cloth where they remain until laundering. The density of the yarn and microscopic size of the individual fibers allow them to reach into the depressions and tiny crevices on the surface that cotton and disposable cleaning towels cannot.</p> <p>The superior absorption of our microfiber makes this mitt ideal for various wet to dry applications. Microfibers can penetrate surface pores to remove tiny dirt particles. The long lasting microfiber products last much longer than traditional cotton products.</p> <p>In summary:</p> <ul style="list-style-type: none"> <li>• Terry microfiber mitt can be used wet or dry</li> <li>• Thumb reduces fatigue</li> <li>• Reduce chemical use, water, energy to clean, saving time &amp; money.</li> <li>• Lint free, Nonabrasive, Soft, Super absorbent yet quick drying, Non-electrostatic, Hypoallergenic</li> <li>• One Size Fits All; Ambidextrous; Cuff; Holds Shape; Long lasting; Machine or hand launderable. (Withstand hundreds of washings!)</li> </ul> <p>Do not use fabric softener or dryer sheets. Bleach will shorten the life of the microfiber. Color: Blue, Green, or Yellow</p>	<p>\$7.75</p>

		<p>Environmental and safety benefits include:</p> <ul style="list-style-type: none"> <li>• Phosphate free</li> <li>• Readily Biodegradable</li> <li>• Contains no hazardous ingredients</li> <li>• No glycol ethers</li> <li>• No alkalis</li> <li>• No acids</li> <li>• Non corrosive</li> <li>• VOC compliant</li> <li>• APE free</li> <li>• No added fragrances</li> </ul> <p>This is a super, super concentrated product. It is packaged for the high volume user. While the most environmentally friendly and sustainable packaging available is leveraged, this requires the use of a SNAP Dispenser. Dilute with cold tap water.</p> <p><b>Each half gallon SNAP cartridge makes 21 gallons on the high flow setting and 13 gallons on the low flow setting.</b> This enables the greatest flexibility and ensures conservation of product. This super concentrated product saves you money. <b>You pay ONLY 76 cents per ready-to-use quart!</b></p>	
<p>SNAP Proxi Multi Surface Cleaner</p>		<p><b>Proxi Multi Surface Cleaner</b> is a versatile, super concentrated product that has been formulated to remove stains, hard water buildup and soap scum. The active ingredient is safer on surfaces than aggressive acids or bleaches.</p> <p>Proxi Multi Surface Cleaner is effective on tile and grout, counter tops, cutting boards, stainless steel and most hard surfaces.</p> <p>Proxi is a very effective bathroom cleaner, as it cleans sinks, toilet bowls, tub surfaces and shower walls; cleans and whitens grout; is an effective uric descaler; and cleans mirrors and metal. It also removes blood from hard surfaces.</p> <p>Rochester Midland has successfully combined hydrogen peroxide, a stabilizing oxidizing agent, and compatible formulation ingredients to create a formulation that dissolves organic matter to remove stains and eliminate related odors. It leaves no chemical residue. The only by-products are oxygen and water. It is known as "Nature's Scrub Brush".</p> <p>This product meets the <b>Green Seal</b> environmental standard for cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound (VOC) content.</p>	<p>\$81.50</p> <p>Equivalent to only 15¢ per ready-to-use quart</p>
